

Dr. Linda Chalker-Scott has a Ph.D. in Horticulture from Oregon State University and is an ISA certified arborist. She is WSU's Extension Urban Horticulturist and an Associate Professor in the Department of Horticulture and Landscape Architecture. In her position, she develops educational materials for home gardeners, certified arborists, restoration ecologists, pesticide applicators, and the nursery and landscape industry. Her award-winning book, *The Informed Gardener*, was published in 2008 and the sequel will be released in February 2010. She has just finished writing and editing, with 21 other academic authors, a lengthier text entitled *Sustainable Landscapes and Gardens*, which will be available later this year.
